Volume 31 • Number 2

Important Changes Being Made In Chicago Dental Society Hospital Plan

Premium Change Justified—Broader Protection—Two Family Groups

The Michigan Life Insurance Company through the office of Huntington & Homer, Inc., notified the Society that a premium change was to be made on February 1, 1956 for the Hospital, Surgical and Medical coverages afforded to the members insured under the All Star Hospital policy.

The Insurance Committee of the Society met with Mr. Huntington and formulated changes which since have been approved by the Company and which should prove satisfactory to the members.

The changes in premium will result in an increase to all for the hospital coverage which is being broadened and a reduction in the cost for the surgical and medical coverages to the individual and family of only two.

It is only natural that we do not like to see an increase in the cost for hospital protection, but we must realize that the costs for many things including hospital care have increased greatly since the premium was last adjusted six years ago. Since then the Company has sustained heavy losses under the hospital coverage and has profited slightly under the surgical and medical coverages. The over-all incurred loss for the last three years and nine months was approximately \$67,000.00.

Most of you are also aware of the fact that other insurance companies and non-profit plans have recently reduced benefits or increased premiums or both. They have placed a deductible amount on each claim, limited maternity to a specified amount, cut out X-rays and even eliminated diagnostic cases that were bed patients. We are happy to say that our coverages instead of being so limited are being broadened to make our plan better than ever. We are indeed fortunate in having the best hospital insurance program obtainable.

As you know, our plan covers diagnostic services when you are a bed patient in the hospital. It also covers the full charge for X-rays and laboratory services and pays for the services of a private anesthetist. It also covers the care of a newborn child during the hospital stay of the mother when she is eligible for maternity benefits. The costs to the Company for the diagnostic services, care of babies and use of outside anesthetists has had a tendency to greatly increase the losses, not to mention the present day high cost for antibiotics.

Beginning on February 1, 1956 the ambulance allowance is being increased to \$15.00. The 24 hour for accident first aid treatment is being extended to 48 hours.

Recovery Room charge following an operation will now be paid up to \$5.00 per day. ACTH and Cortisone will also be covered up to the policy limit.

In accepting the amended program consideration has been given to the member whose family consists of only two including himself. In the new rate set-up there is the rate for the individual, a higher rate for the family of two and a third rate for the family which totals three or more.

All premiums will be payable on a semi-annual basis commencing February 1, 1956. Below are the new semi-annual rates

	Hospital	Surgical	Medical	Total
Individual	\$20.00	\$ 6.40	\$1.60	\$28.00
Family of two	42.50	14.00	3.50	60.00
Three or more family	52.50	18.00	4.50	75.00

The Individual semi-annual hospital premium is up \$5.00. Surgical and Medical is down \$1.00. The hospital rate for the family of two is up \$5.00 and the Surgical and Medical is down \$5.00. The hospital rate for the family of three or more is up \$15.00 and the Surgical and Medical premiums remain unchanged.

The greatest change is in the cost for the policy which covers three or more. Actually, the Company assumes more liability on such families and it is only proper that a higher premium be assigned to the class that receives the greatest benefits. The cost is still low when the premium is pro-rated to the number of people covered in the family.

Many members also carry the Catastrophe Hospital and Private Nurse coverage. This is payable on the semi-annual basis and also renews on February 1, 1956. These members will receive a premium due notice for the combined premiums in the future.

While on the subject of Catastrophe insurance we will take this opportunity to tell you that the Company has informed us that the experience to date is exceptionally good and that if it continues we can look forward to a probable reduction in the Catastrophe premium on February 1, 1957.

Each member who is eligible for the Catastrophe coverage should avail himself of the opportunity to purchase it while he is well. After you or a family member have had a serious ailment will be too late.

You will receive further details regarding these changes from Huntington & Homer, Inc. Then, if you have questions to ask please contact them direct.

The Hospital and Catastrophe program is available to the active members of the Society who are under Age 50. If you qualify but are not enrolled in the plan, we suggest that you make application prior to February 1, 1956.

Tickets for the Midwinter Meeting social events—the Dinner-Dance and Floor Show and the Ladies' Luncheon and Fashion Show—are going fast.

Don't be disappointed; call RAndolph 6-4076 TODAY and make your advance reservations.

EDITORIAL

MEMBERSHIP IN THE DENTAL SOCIETY

To me, membership in organized dentistry means an opportunity to join with other members of one of the finest professions, in a fellowship where, together, we can meet the many problems which confront us today; a fellowship, if we would but participate, in which the best and most modern in scientific progress is presented; where the best in efficient and economic operation of our offices is presented; and where social problems are discussed and plans laid for solving them.

Through organized dentistry, in a little more than 100 years we have risen from the position of a partially-trained craftsman to a position of pre-eminence in the healing arts professions. Today 90 per cent or more of the practicing dentists are members of organized dentistry and, because of our unity as a profession, we are able to stand as a bulwark against the encroachment of socialism. Through organized dentistry, a Bureau of Standards and Research is maintained; a Dental Health Education program is presented; a Council on Legislation is constantly alert to legislation affecting dental practice; a Council on Insurance whereby group insurance is made available to us; a Council on Relief that provides aid to those in distress, and a Code of Ethics is set forth; all these and many other services, each of which is worth the cost of membership.

From a purely materialistic standpoint, membership in the Society offers excellent plans for accident and health insurance, hospital insurance, and group life insurance at rates which give to each member savings greater than the cost of membership in the local and state societies and the American Dental Association. There is available to members of the Chicago Dental Society a prepayment plan in which acceptable accounts for dental services can be financed through the First National Bank of Chicago. Thus, through an extended payment plan for dental services patients can avail themselves of a more complete service. These are but a few of the many savings which membership affords.

Finally, through membership in our dental society we are stimulated to improve our professional skill and to better understand our professional problems, thereby enabling each one of us to better serve our fellowmen and help make our world just a little better.

When you are tempted to ask that old question, "What is organized dentistry doing for me?", stop and ask yourself this, "What am I doing for organized dentistry, besides paying my dues?" There is no surer fact than this, you will get no more out of it than you are willing to give. It is the men who have given more than their fair share who have raised our profession to its high estate. Can you do less?

Contributions to the A.D.A. Relief Fund may be deducted from your income tax. You can't give your money to a more worthy cause! Contribute to the A.D.A. Relief Fund today!

NEWS AND ANNOUNCEMENTS

G. V. BLACK GOLD FOIL STUDY CLUB (A Correction)

The G. V. Black Gold Foil Study Club will meet on Saturday, February 4, at 8:30 a.m., at Loyola University School of Dentistry, 1757 W. Harrison Street. Clinic demonstrations on Gold Foil will be presented.—*Paul T. Dawson, D.D.S.*

(Editor's Note: In the January 2 issue, the time was published as 8:30 p.m. in error)

LOYOLA CLASS OF 1914 REUNION DINNER

The members of the Class of '14 of the Chicago College of Dental Surgery, Loyola University, will celebrate their 42nd year since graduation at a dinner in the George Washington Room of the Congress Hotel on Tuesday, February 7, at 6:00 p.m. Contact Dr. Arno Brett, Town Hall 3-1634.

NAVAL RESERVE DENTAL COMPANY 9-6

Naval Reserve Dental Company 9-6 meets at the Naval Training Center, 1100 Central St., Evanston. Meetings are held on Friday nights, starting promptly at 8:00 p.m., January 20, February 3 and 17, March 9 and 23. Subjects considered are those of current naval and professional interest and many meetings include table clinics of recent techniques. Visitors are always welcome and Naval Reserve dental officers are particularly invited to attend. Parking space is available immediately next to the Naval Center.

For further information, contact Capt. Paul H. Wells, Commanding Officer, 8000 Lincoln Ave., Skokie, ORchard 3-2992 or LCDR Bernard I. Rabin, 4753 Broadway, Chicago, LOng Beach 1-6880.

LOYOLA ALUMNI ANNUAL COCKTAIL PARTY

The Chicago College of Dental Surgery, Dental Department of Loyola University cordially invites you to the Annual Alumni Cocktail Party to be held during the Ninety-First Midwinter Meeting of the Chicago Dental Society in the West Ballroom of the Conrad Hilton Hotel, Tuesday, February 7, from 4:30 to 6:30 p.m. All of your friends will be there and we hope you will join them.

The alumni headquarters during this meeting will be Room 512A. It will be open throughout the meeting, so that you may use it as a place to meet your friends.

NAVAL RESERVE MEETING

The January meeting of the Volunteer Dental Companies, U. S. Naval Reserve will be held Friday evening, January 27, at the Naval Armory, Randolph Street at the Lake, 8:00 p.m.

We will have a return engagement of Dr. Harold Lang and pictures of his recent European trip. His pictures were so good that he returns by popular demand.—*Dr. A. B. Nordlie, Program Officer.*

AMERICAN SOCIETY OF DENTAL PSYCHOSOMATICS

The newly organized national society, the American Society of Dental Psychosomatics will hold a scientific session on February 5, 1956, at 8:00 p.m. in Private Dining Room No. 2, on the third floor of the Conrad Hilton Hotel.

S. I. Shaw, D.D.S., M.Ed., Honorary member of the Michigan Society of Psychosomatic Dentistry, will talk on "Suggestion and Psychosomatics in Dentistry."

B. Kornfeld, D.D.S., President of the

American Hypnodontic Society, will discuss "Dental Treatment of a Psychotic Patient."

Delegates to the first annual meeting of the Society will meet in executive session on February 5 at 10:00 a.m. in Room 521 of the Conrad Hilton.

CHICAGO ACADEMY OF DENTAL PSYCHOSOMATICS

The Chicago Academy of Dental Psychosomatics will use Room 523 at the Conrad Hilton Hotel on Monday, Tuesday, and Wednesday during the Midwinter Meeting. All those interested in hypnodontics and dental psychosomatics are invited to visit and use the room.

ILLINOIS STATE DENTAL ASSISTANTS ASSOCIATION

The Illinois State Dental Assistants Association will hold its annual convention at the Conrad Hilton Hotel on February 4th and 5th.

The following members of the Illinois association are appointed to ADAA committees: Gladys Triphahn of Chicago will serve on the Education Committee, Jeanne Ostermeier of Downers Grove will serve on Clinics and Exhibits, and Harriet Turner of Chicago will serve on Public Relations. Janet Lindenberg, of Peoria, and Gladys Triphahn were repre-

sentatives from the ADAA to the 6th national dental health conference, held in San Francisco. Janet Lindenberg will be on the editorial staff of the *Journal of the American Dental Assistants Association*, serving as a contributing editor, and she would appreciate hearing from any assistant who would like to contribute an article.

State President, Margaret Crosby, sustained a fractured back on her return from national convention, and the entire membership joins in wishing for a speedy recovery.—*Janet Lindenberg, Publicity Chairman.*

BEFORE AND AFTER THE MIDWINTER MEETING

Mouth rehabilitation in periodontics and clinical endodontics will be stressed during closed-circuit television courses at the University of Illinois College of Dentistry February 3 and 9.

Dr. Louis Grossman, professor of oral surgery at the University of Pennsylvania School of Dentistry will conduct the "Clinical Endodontics" course February 3. He will be assisted by Drs. Samuel Turkenkopf and Seymour Olet, also members of the University of Pennsylvania staff.

The morning session of the endodontics course will be devoted to lectures on diagnosis, selection of cases, antibiotics in

REGULAR MONTHLY MEETING OF THE CHICAGO DENTAL SOCIETY

December 20, 1955

Conrad Hilton Hotel

The December monthly meeting was called to order at 8:00 p.m. by President G. W. Solfronk.

A motion was made, seconded and carried to dispense with reading the minutes of the November meeting.

A motion was made and seconded and carried to approve the minutes of the November meeting as published in the December 15th issue of the *FORTNIGHTLY REVIEW*.

There were no reports of boards, standing committees or special committees.

President Solfronk then asked the 50-year men to come forward. He stated that it is always a privilege for the Chicago Dental Society to welcome men who have distinguished themselves by practicing dentistry for fifty years. He then presented Dr. John Zwisler and Dr. Paul W. Clopper, President and Secre-

tary of the Illinois State Dental Society. Dr. Zwisler presented the certificates to these men and Dr. Clopper presented the pins.

Dr. Solfronk introduced Dr. Olaf Opdahl, Chairman of the Monthly Program Committee, who in turn introduced Dr. Gerson Gould, a member of the Committee. Dr. Gould then presented the essayist of the evening, Dr. J. Lewis Blass, who spoke on the subject "Doctor-Patient Relations for Good Management." Following the essay Dr. Opdahl announced the clinic program scheduled for Wednesday, December 21st, to be held in the Waldorf Room, starting at 9:00 a.m.

Approximately 400 members and guests were present.

Respectfully submitted,
Walter E. Dundon, *Secretary*

*To the Ladies Attending the Midwinter Meeting
Our Committee cordially invites you to the*

NEWS OF THE BRANCHES

KENWOOD-HYDE PARK

With the mad rush of the Holiday now passed and things just settling down to normal we can now point to the Midwinter Meeting. The plans for the meeting are now complete except for a few loose ends here and there. Here is a plan for an educational and enjoyable time at the Midwinter DENTORAMA—presented by the Chicago Dental Society.

GET ALL THE FACTS

Hear the essays!
Attend the clinics!
See the movies!
See the demonstrations!
Visit the exhibits!

AND THEN RELAX

With your sweetheart (or even your wife) and friends at the,

Midwinter Dinner Dance and
Entertainment

on Wednesday, February 8th in the
Grand Ballroom.

ENJOY

A really delicious dinner.
Delightful organ music during the dinner hour.
A Spectacular floor show.
A fifteen-piece orchestra for your dancing pleasure.
Continuous, captivating music until?
Make your reservations now!
\$8.00 per person (including tax and gratuity)
All this for so little.

There will also be many other opportunities for socializing with classmates and friends. The Loyola Alumni Room 512A will be reserved for your relaxation and elbow-bending as usual. Drop in and have a few. On Tuesday night, February 7th, the Loyola Alumni Association will have its fabulous Cocktail Party

from 4:30 p.m. to 6:30 p.m. This is always a terrific party and a chance to meet a few buddies. . . . Stan Korf is raising orchids in his new office and for a small fee will supply one for your date to the dinner-dance on February 8th. . . . Phil Mathisen attended the last meeting and entertained a few members with his clever sleight-of-hand tricks, why not make it more often, Phil? . . . Speedy Graham Davies was picked up in the city—even without radar. . . . Just by way of coincidence, Isamu Tashiro's new son and Henry Leib's newer son have the same birth date. . . . Clint and Wayne Fisher hunted quail (the flying kind) in Kentucky and then went down to Cairo to hunt the few geese Bob Wells left for them. While in Kentucky, Clint visited with friends. . . . John Feaman has been ill and spent a little time in Billings Hospital. His progress report says that he is feeling much better and is now recuperating at home. . . . Jesse Carlton had a hectic Christmas Holiday. His son is stationed at the Air Force Base in Marysville, California, right in the middle of the flood area. Jesse was unable to contact him for a week, but he finally called home with a report that he was O.K. . . . Milt Braun and Leo Mastorakos have moved into the same office building that Stan Korf is in and are trying to figure out what they can raise to compete with Stan's orchids. . . . As we go to press, we are saddened to learn of the death on January 6 of our good friend, Dr. Ralph E. Libberton. The sympathy of all branch members and their families goes out to Mrs. Libberton.—Howard J. Harvey, Branch Correspondent.

SOUTH SUBURBAN

Molars may ache all over the South Suburban area but there's no one here to attend to them. . . . Your corre-

spondent is taking a two-week siesta in Acapulco. . . . Fred Waldschmidt is honeymooning in Cuba, married a hygienist on New Year's Eve. . . . Al Bendrick came in on radar through the fog after spending Christmas down in DuBois. . . . Henry Cubbon has finally returned from New York. . . . Bill Seidel and Harry Lees are in their new palatial estates. . . . Pete Iagman is still building his. . . . Congratulations to Emerson Lights, President of St. James' dental staff in 1956. . . . The ashtrays filled up in his old office so Louie Lipschutz moved into a new one. . . . Until next issue, *casa manana sombreros*.—Herbert I. Hammer, Guest Correspondent.

NORTHWEST SIDE

Now that the new year has finally arrived I hope that everyone resolved to help this correspondent publicize our branch. A postcard or a telephone call with any news items will always be gratefully received. . . . And now to last month's up-to-the-minute news. Joe Lebow attended the Alpha Omega convention in Pittsburgh during the holiday week. . . . Ted Chrobak took off a week during the Holidays . . . ditto Bob Larson . . . double ditto the Brzezinski boys. . . . Ben Davidson reported that the New York meeting was quite good but not up to our caliber. . . . Viggo Sorensen (who seems to be traveling almost as much as Bob Placek) spoke in Omaha Jan 10. . . . Andy Mitran is a member of the chorus of the Skokie Valley chapter of SPBESQSA which performed at the Civic Opera House on Dec. 10. . . . Alf Altern is building new offices on west Fullerton Ave. . . . Tom Wright did a complete redecoration of his office. . . . E. N. Johnsen moved into Logan Square after practicing just a few years at a Milwaukee-Western location (he graduated in '02). . . . Ed Suffka bought a new car. . . . Joe Ullis' daughter is taking an art course in Milwaukee. . . . Ed Potocki's daughter is entering a convent to become a nun. . . . Sam Goffen spent two

weeks in the hospital after a kidney stone attack and at the last report was still watching for the offending pebble. . . . Gerson M. Gould introduced the speaker at last month's CDS meeting. . . . Max Bramer, who is Dental Director of the Mary Pogue School in Wheaton, had an article in the December issue of the *ADA Journal*; and also will be one of the speakers at the Annual Convention of the Academy for Oral Rehabilitation of Handicapped Persons at their meeting Feb. 5 at the Hilton held in conjunction with the Midwinter Meeting. . . . And speaking of the Midwinter Meeting, don't forget that no meal is complete without dessert and the dessert of the week will be the dinner-dance held Wednesday night (Feb. 8) in the Grand Ballroom of the Hilton. Organize a table with your friends and join in the fun and food while enjoying the entertainment and dancing. See you there.—Lee Schwartz, Branch Correspondent.

NORTH SUBURBAN

Man!! What a crazy New Year. If the party season and the Bowl games presage any of the events of the New Year—ain't it gonna be some year? Howsom-ever we wishes youse all the best of a bright new year. Please overlook our Waskovian dialect—we ain't really ourselves at this point. We got a real nice (we think it was a nice) communication from Dr. Ross E. Waltzer of Oil Fields (Tulsa), Oklahoma who commented succinctly on his views of the news—ah me, who's to choose? Thanks for the contact Dr. R.E.W.—mighty cherce & terse, but not verse. . . . 'Tis the time now when those concerned are busy with the business of getting things lined up for the Midwinter Meeting. Karl Richardson is busy as usual keeping everyone with an important job aware of the job's importance. . . . Well, gosh. . . . After six weeks you'd think we'd be loaded with news. The truth of the matter is—we ain't—. We learned that a fella named Verink, and another, Doug Cook, are

trying to rush along plans for new office locations, now there's a project for anyone. . . . Don Palmer is a new daddy—yep a whole litter of pedigreed CHOWS. Claims they're the cutest things you ever saw, but he's selling them all to anyone who's got the price. . . . Might mention yours truly again—we, too, have an addition to the family. Name Guy deBergerac—a real honest-to-goodness, full-size, real live French poodle. . . . Our own Ed Sullivan can't get the ink stains off his shirts—not quite yet. After his very successful stint as Editor of the *FORTNIGHTLY* he took over as Secretary of the North Suburban Branch. Without letting that job get cool we discover he's been able to assume the same job and a position as director of the Illinois Dental Alumni Association. . . . Jim Lynch is the proud possessor of a swollen hand and a gashed right arm—no real details though someone mentioned a dining room chandelier. Actually he didn't seem to suffer too badly, brother Jim was quite capable of holding his drink at the Evanston Association Open House. We wonder if perhaps he was—just perhaps—either counting all his beautiful green backs or perhaps he was battling the Big Four (Jim's always in there for a good cause, y' know). . . . Heard that Zenas Shafer has already contrived a leave down thar at Barksdale between December 23 and Jan. 4. Claimed he was going to play golf every day. Now there is going to be one tough hombre when he gets back into golf competition with the working man. . . . Bob Fleming, now practicing endodontia in Washington, D. C., and teaching part time at Georgetown, visited in Evanston over the Christmas holidays. . . . Charlie "I love to see the name in print" Baker drove to Springfield for a Christmas visit and ran into some mighty slick driving, as who didn't, but we're mighty glad you made it safely, Charlie. Charlie showed us a card from Jeff Schroeder (Acapulco) which indicated that friend Jeff either lost or nearly lost a finger when a Mexican taxi tried to drive away while the above mentioned finger was caught

in the door. . . . Orchids again to Zeke Smothers for the wonderful hospitality he showed all the members of the Evanston Association of Dentists at the annual open house. There isn't space to name everyone who was present, but more than 60 attended for the usual wonderful time. The food, fellowship and football (on T.V.) were wonderful. Thanks, Zeke, it's just like coming home each year. . . . Don't overlook your advance reservations for Midwinter Meeting activities—the Limited Attendance Clinics, the big Dinner-Dance and Floor Show—and, for the ladies, the very popular Luncheon and Fashion Show. . . . **HAPPY NEW YEAR, ALL.**—*F. S. Verink, Branch Correspondent.*

WEST SUBURBAN

With the Christmas Holidays having taken up most of their time, it seems that most of the West Sub. members were very content just to stay at home, warm their feet at the fireside and their "tum-mies" with Tom and Jerrys. However the call of the Tropics beckoned some who want to acquire a nice coat of tan to flaunt before the boys at the Midwinter Meeting. . . . The first to go to Florida were Howard Buchner and family who spent the Holidays under the palms instead of the icy pines. . . . Stan and Mrs. Jakus of Bensenville are taking one of the most relaxing forms of vacations, just spending a month cruising the nice warm waters of the Caribbean with stops at the islands of the West Indies. Must be pleasant to sit on the sun deck of a spacious liner with a martini in one hand and a book in the other and just let the waves roll by. Don't forget the Dramamine, Stan, in case the waves get too high. . . . Jack Smeeton of Downers Grove took off about Jan. 1st for Fla., but Jim Guerrero must wait 'till after the Midwinter before his annual golf date at Hollywood by the Sea. . . . Heard the only urging necessary to start John Van DenBrink on a vacation to the south

HYGIENE by Jeanne

Well, I'm not so sure I'm over all the Christmas parties, but I'm certain I've not fully recovered from New Year's. What about you? Certainly hope y'all got '56 off to a good start. You know, there are only 44 more years 'til the big sendoff—Year 2000—we surely have to keep in practice 'til then!

Had a full meeting on the 11th of this month. A collection was made for National and State dues. Ah yes, dues are due! A new batch of clotheslines was ordered, so stated President Julie Haase. These little items are fabulous—particularly for all your friends Europe-bound. (At this point, I feel I have no friends.)

Elections were also held for officers for the coming year. Names and such will be announced in the next FORTNIGHTLY. Installation of the new officers will be held Monday, February 6, at the regular convention board meeting.

And speaking of the convention, here's a sneak preview of what's up:

Monday

9:00—Registration—Headquarters—Room 19

9:30—Dr. Frank M. Wentz

“Instrumentation in Oral Hygiene”

10:30—Dr. Leonard Fosdick

“Research and Fluorides”

12:00—Luncheon—Lower Tower Ball Room

2-5—Table Clinics—Williford Room

Dorothy Basso and Geneva Mountz—“Dental Hygienist's Contribution to Dentistry”

Dodie Ciota—“Methods of Education”

Tuesday

9:30—Dr. Jay Welborn

“That Extra Touch”

10:30—Dr. Marvin F. Waller

“The Role of Dental Hygienists in Dental Rehabilitation”

11:30—Meeting of Representatives and Members of District 7 (that's us)—Margaret Schockney Hunt, a trustee, presiding

2-5—Table Clinics

Alice Shiplio—“Dental Concepts and Misconcepts of Pregnancy”

Joy Grahn and Beverly Mallotte—“Oral Health Lies in Prevention”

Wednesday

11:00—Dr. Arthur Elfenbaum

“The Role of the Dental Hygienist in a Diagnostic Program”

Slides following

12:00—Northwestern Dental School Luncheon—Grand Ballroom

2-5—Table Clinics

Pat Rosenberg and Judy Strauss—“Prevention Lies in Recall”

2:00—A Fashion Show—FOR ALL—Private Dining Room No. 2

3:30—President's Tea—honoring Julie Haase

On the 3rd Floor Monday through Wednesday, the senior hygienists from Northwestern will hold continuous clinics under the heading of “Prevention.” Co-chairmen for this are Esther Wiegel and Pearl Shiffman.

Now— isn't this an excellent program? Any and all of the doctors are invited and we'll be expecting all the rest of you!!—Jeanne Castle, 2669 Crawford Avenue, Evanston,—Da. 8-3484.

POPULARITY *has a Reason!*

PRODUCTS—like people—are popular for a reason. And the popularity of Cook-Waite dental products stems from the fact they do the job they were designed to do . . . efficiently, economically, safely.

And when a new Cook-Waite product appears on the market, it isn't long before it, too, joins the ranks of dentistry's most popular. For dentists know that behind every Cook-Waite product are years of experience and manufacturing know-how . . . PLUS never ceasing scientific research. And, most important, dentists know they are not used as guinea pigs.

When buying dental products, look for the name, Cook-Waite . . . it's your guarantee of the best!

NEWS OF THE BRANCHES

(Continued from page 15)

would be an item in the FORTNIGHTLY; here it is, John, and a happy vacation. . . . Myron Umbach of Downers Grove is back at work before he starts another trip. . . . Al Ryan and Kelly Frakes are poppin' their buttons as proud grandpappies. Al's son (now a proud poppa) is stationed at Cecil Field in Fla., which is the same base that Gramps Ryan was in during War II. Kelly Frakes' wife is in Arizona to welcome their fourth grandchild while grandpa stays home to polish the amalgams. . . . Leonard Pawlowski, a graduate of Ill. U. and just back from his hitch in service, becomes a full-time associate of Stan Tylman in Lombard. . . . Congratulations to Bob Underwood of Elmhurst, new Pres.-Elect of the I.U. Alumni, also Bob Atterbury, new V.P., and to Art Skupa, John Spence, etc. of our branch who are on the Board of Directors. . . . Heard that Browning and Lassman both shot their limit of deer (not dear) during the season. . . . A. Rademacher opened his new office in La Grange. We welcome him to West Sub. . . . Bill Rogers of River Forest is passing out cigars (or should). It's his second son and third child. . . . Bob "Rabbit" Randolph of La Grange is now just restin' but of course he has four already. . . . Francis Higgins is burning up the Elmhurst streets with his new Chevy. . . . Al Carlson has sold the remaining 80 acres of his farm south of Lombard, so he will soon be looking for

a new home and office. . . . Don't forget the West Suburban Study Club, date Jan. 26th at Louis' Restaurant, with W. A. Link as speaker and the most-used filling material, Amalgam, as the topic. There will be an election at this meeting, too. . . . Congratulations to one of our favorite sons, Harvey Lancaster, who was honored at the Dec. C.D.S. meeting for 50 years of service in his profession. We salute you. . . . Capt. Bob Fencel is now Ass't Chief of Oral Surgery at Randolph Field, Tex. . . . Glad to see Merle Long back after a session with the surgeon. . . . 157 at dinner for the Dec. meeting of the branch. This is really a BIG YEAR. Some new folks present whom we hope liked it so much they'll come to the March meeting. Guests from a long way were G. E. Alzeno and R. E. Leininger of Northwest District Dental Society of Freeport, Ill. . . . May this be your resolution for 1956—"Grant us, O Lord, the serenity to accept the things we cannot change, the courage to change the things we can and the wisdom to know the difference."—L. D. Jaeger, *Associate Branch Correspondent*.

WEST SIDE

This report is being written to inform the West Side members of our activities on the important matter of the increase in the State Society's dues and what the West Side Branch has accomplished to date. . . . At our November meeting the Branch passed a resolution requesting that the Chicago Dental Society refrain from

CALL US FOR **NEY GOLD & TECHNIC**

collecting this increase in dues. . . . The State Society's Executive Council, in its official journal published that if proxies were presented for voting, they (proxies) would be accepted. Our Branch presented proxies at the May 11 meeting in Peoria and the presiding officer then refused to accept these proxies. . . . In November, the Chicago Dental Society's attorney rendered an opinion. He stated that the Dental Society must collect the dues as set forth in the Constitution. . . . Early in December the first actual contacts were made with a State Society officer, who agreed that the disputed money collected as increased dues should be held in a separate account and not used until the entire matter is satisfactorily resolved. It was promised that every effort will be made to see that this is done. . . . The following week, the State's Ad Interim Committee met and a committee was appointed with our Director, Walter Kelly, as a member. This committee went to Springfield to consult with their attorneys. As a result of this meeting we know now that the business sessions of the State meetings will be held at 1:00 p.m. instead of 9:00 p.m. and that there will be a verification of each member at the door. . . . On December 13th, the West Side Branch authorized its Board to inform the other branches of our activities and it was further suggested that the other branches appoint committees to work with the West Side Branch. . . . It was also suggested that the annual dues be paid in the following manner and under protest: One check of \$45.00 to the Chi-

cago Dental Society and another check of \$5.00 payable to the Illinois State Dental Society. The second check is to be endorsed as follows: "This represents the increase in State dues and is being paid under protest." Dr. Kelly, our Director, reports that the Chicago Board of Directors took formal action and that the dues would be accepted if paid in such a manner. . . . On December 20th, the Chicago Dental Society's Board met, discussed our resolution, and formally referred our resolution to the State office for further processing. . . . Your officers are contemplating more action on this entire matter. In concluding, your officers want to wish you a Happy New Year.—Irving Shae-witz, Secretary.

NORTH SIDE

Well, the holidays are over and so back to work. The BIG news now is the MID-WINTER MEETING at the Hilton Hotel, Feb. 5th, 6th, 7th and 8th. Did you mark your calendar? Got a letter from Voita, the Dinner-Dance Chairman, and he says the reservations are going fast, so call him for yours for the big Dinner-Dance in the Grand Ball Room on the 8th. . . . Our Director, Earl Elman, is turning over the room he is being furnished by the CDS for the meeting, to our North Side Branch to be used as a Hospitality Room. Check with the hotel for the room number. Every North Side member is welcome, so make use of it. . . . Had a wonderful time at the Uptown Dental Forum's Christmas party on Dec.

Niagara Falls, N. Y.

23rd. It was one of the biggest turnouts, with swell drinks, games, prizes and friends. No wonder the Forum is growing. All North Side members are welcome to join. In addition to their very many good programs, they have been doing an excellent job by purchasing over \$100.00 worth of Dental Health pamphlets, which they donated to Mort Niemark's TV "Smiles" Program. . . . Still getting glowing reports on our very successful Clinic Day. President Gus Solfronk was reported highly pleased with our meeting and after making the rounds, I understand, bought a goodly amount of office equipment there. Other officers of the many branches also were there, and all agreed it was a worthwhile meeting. . . . Latest word on OASI,—Polls in every state, conducted by State Societies, as well as over 28 states and Puerto Rico and Hawaii, conducted by the 'Congress,' showed fantastically large majorities in favor of inclusion. The ADA House of Delegates is no longer opposed to Social Security for Dentists—and every member should write his congressman, stating his preference. I understand that the Board of Directors of the CDS is sending a letter to Senators Douglas, Dirksen and Harry Byrd, of the Senate Finance Com., stating that Chicago dentists are in favor—1974 to 232, according to the last poll. . . . I hear that Art Duxler is accusing Norm Kirschner of being afraid to go ice-fishing. Don't blame him. It's too cold to go swimming—but, on the other hand, it's never too cold for Norm to golf. Just a matter of taste, I guess. . . . Mrs. Bob

Margolis just won a turkey. First time in her life she ever won anything, except maybe, Bob. . . . The Bryn Mawr group's dental assistants had a bang-up Christmas party, lasting all afternoon, with all the food and fixin's prepared by the girls themselves, with plenty of games, drinks and good time. I understand all the girls have become engaged in the past few months, every one of them sporting big, beautiful rings—2 of Gordon's girls, 2 of Kaden's girls, Parkin's girl. Bill Semiloff's assistant is leaving him due to the expected arrival of an heir, and all this leaves room for more employment in the dental assistant's field. Know any recommendations? . . . Earl Hullison is enlarging his staff to include a hygienist. Anyone know of a good one? . . . We were sorry to hear that Ulysses Argianas was ill on Clinic Day and couldn't attend to see the results of all the wonderful work he put in to make it the success it was. Congratulations are in order for him on moving his office to a new building at 5758 N. California Ave., on the first day of the year. He will be associated with Dr. Geo. S. George, the Pediatrician. It's a beautiful office and worth seeing. . . . And talking about Clinic Day again, didn't Ernie Gillis do a swell job with the luncheon? His committee will be able, I think, to do an even better job next year, having had all that experience. . . . Herb Gustavson reports a very Merry Christmas at his house. He and John Anderson will give a presentation at the Midwinter Meeting. I know that quite a number of our boys will be giving clinics

there, but I have not been able to see the listing as yet. I know that scouts were out to our Clinic Day, viewing our Table Clinicians, and I'm sure many of our boys will be on the program. Look them up at the meeting. . . . Bill Osmanski was elected a member of the Board of Directors of the Holy Cross Alumni Club. He spent a week or so at Fond du Lac with his wife and 5 children, and when I asked him what he did there, he said, "Rested. What else can you do with 5 kids around?" He has been put in charge of publicity of NU group at the Mid-winter Meeting and for their Homecoming, on the 9th and 10th of May. All NU graduates, please note that the Luncheon on the 8th, will be held promptly from 11:45 a.m. to 1:30 p.m. definitely. Check with your program for room number. . . . My sincere belated wishes for a Very Happy and Prosperous NEW YEAR.—*I. H. Shapiro, Branch Correspondent.*

ENGLEWOOD

Well Old Timers Night was the usual huge success with fun and fellowship. When the room was entered, the rhythmic melodic? harmonious? tones floated across the room on air from the bar and punch bowl denoting fellowship and gayety at its best. This fine musical aggravation, known as The Horrors, was made up of Saxy Valentine, Putzy Rudder, first sax section; Fingers Gramke, pianist extraordinary from West Suburban; a noted drummer from West Side,

and Strings Schliesmann on the guitar. Noticeably absent was a very fine violinist virtuoso. Although he was not asked for the 2nd year in a row he will not become discouraged though he is beginning to suspect something is amiss. Oh yes—his name Vodka?? or Whatsis?? or Waska or something like that. Very well known? . . . Getting on to the business end of inducting the 20-year men, Ben Jostes should be complimented for his fine arrangements and Ted Vermeulen for a notable job as MC. The following men were accepted into the honorary group: S. D. Arnstein, C. E. Bromboz, J. B. Buckley, D. Friedman, A. L. Glick, E. N. Hartmann, H. H. Hoenig, A. Kropidowski, M. H. Korngoot, I. H. Libman, C. R. Rywniak, S. C. Warady, and V. E. Zopel. Congratulations! Here's hoping for 20 years more of good luck and fine practice. In the same congratulatory note, a standing ovation was given to Ora Medsker for his completion of 50 years in practice. Ora, in turn, introduced another old timer in the service to dentistry, Rudy Sundelius, who is retiring from L. D. Caulk. Franklin B. Clemmer and George Knapp, both Life Members, sent letters of congratulations and regretted their absence. Quite a list of dignitaries were present for the occasion. Sam Kleiman, Elmer Ebert, Karl Richardson, Ed Luebke, Walter Dundon, Bob Pollock, Lon Morrey, Col. Augren from the 5th Army Headquarters and Edgar Stephens were a few. Of course, we always have our own Gus Solfronk and Tom Starshak, presidents of Chicago Dental So-

ciety and Illinois State Dental Society, respectively. We were also very happy to have our own Milt Cruse back and looking so chipper. It must have been that Texas air that did the trick. . . . Entertainment following was very ably handled by George West and his gal Maza. BOY did she light up the place like a bulb—a Mazda shall we say? Had to replace John Boersma's dislocated eyeballs twice for him. And that impromptu quartet—well we could go on and on but it makes us look forward to next year when again we will have a big time. Max Motew transferred from Kenwood-Hyde Park in October just in time for the Old Timers meeting. . . . Other doings: Reuben Anderson's son is a full Commander in the Navy, stationed where it is cold—Kodiak, Alaska. . . . S. Warady was blessed for the 4th time July 28. Score now is 3 boys and one girl. A card received from Leon M. Stern tells of his trip to New York and renewing his acquaintance after many years with his steadfast girl-friend, the Statue of Liberty. Word passed on to me that Karl Richardson has renewed the poetic license for 1956 for the P.T. of R. etc., so we can all look forward to the fine pomes by the Poet Lower-Yet. . . . Understand we have another author in our midst—one Marion Hopkins, our prexy—whose account of his hunting trip with bow and arrow appeared in *The Archery Tattler* in Allegan, Michigan. Don't know if the story was complete—seems as if Marion hit a deer but didn't stop it and in the shuffle there was a loss of one vital button following some previous zipper trouble with the result of the impromptu rendition of "September Morn" in the North Woods. Don't know what happens with these Englewoodens. Seems as if a sequel to Mal Brooks caging of his Mom-in-law in the summer home was averted in her Chicago home. When Mal arrived for Thanksgiving dinner the house was closed but this time mom was outside—in fact she was in Florida where it was pretty certain she could not be fenced in. . . . A prosperous and healthful year to all.—**OLD GRANDAD (5th), A. Fick.**

endodontic treatment and culturing the root canal. New methods of sterilizing instruments and materials, applying the rubber dam in difficult situations, methods for filling the root canal and biomechanical instrumentation and irrigation of the canal will also be discussed.

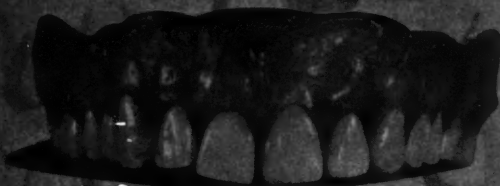

Televised demonstrations with patients will be given during the afternoon sessions. Pulpotomy of lower molar or bicuspid tooth, first treatment of infected root canal, filling the root canal and immediate root resection will be shown. Television is the only medium through which endodontic procedures can be demonstrated to a large group.

Dr. Balint Orban, professor and head of the Department of Periodontics, Loyola University, will direct the February 9 course in "Diagnosis, Treatment Planning and Execution of Mouth Re-

habilitation in Periodontics." This program, the seventh directed by Dr. Orban, will follow the Chicago Dental Society Midwinter Meeting.

The entire program will be televised and will include such topics as biologic principles in occlusal equilibration, importance of the hinge axis registration, demonstration of function and non-functional mandibular movements, technical procedures incident to mouth rehabilitation, and the biological significance of the hinge axis of the mandible.

Demonstrations with patients will include mounting casts on the articulator, cavity preparation, impressions, temporary fillings, remounting, and technical procedures in the laboratory.

Faculty for the course will be Drs. Bertram Downs and Beryle Ritchey, Colorado Springs, Colo.; Dr. Arthur Roberts, Aurora, Ill., and Dr. Harry Sicher, professor and head of the Department of Anatomy, Loyola University. Dr. Robert G. Kesel, professor and head of the Department of Applied Materia Medica and Therapeutics, University of Illinois College of Dentistry, will moderate round table discussions during both courses.

Fee for each course is twenty-five dollars. For further information write to the University of Illinois College of Dentistry, Postgraduate Extension Division, Room 869C, 808 S. Wood St., Chicago 12.
